

# TECHCOLLECT CAN SOLVE YOUR E-WASTE PROBLEM

Reduce the number of computers that end up in landfill.

Protect the environment in your community.

Reduce the amount of dumped TVs on your streets.

Partner with TechCollect and use our FREE service to reduce dumped e-waste in your community!

  
**TechCollect**  
Recycling e-waste responsibly

## WHY CHOOSE TECHCOLLECT?

TechCollect is Australia's only **not-for-profit**, government approved e-waste (computers and TVs) recycling service under the National Television and Computer Recycling Scheme (NTCRS). It is also the largest.

## HOW WE CAN HELP REDUCE E-WASTE IN YOUR COMMUNITY

By **partnering with us**, you will be providing your local residents and businesses with a free, safe, easy and environmentally friendly way to dispose of their unwanted computers, computer accessories and TVs. We will provide:

- Signage
- Marketing support
- Collection units
- Transport
- Recycling

## HOW WE CAN DO THIS AT NO COST TO YOU

Our service is free because we're fully supported by many of the world's leading technology companies, reducing your collection and landfill costs.

## WHAT WE RECYCLE

▷ computers and tablets

▷ computer peripherals and accessories

▷ printers, faxes, scanners and MFDs

▷ televisions

We're committed to maintaining the **highest standard in Australia for e-waste recycling**. At least 90% of the e-waste we collect is recovered as raw materials for re-use in new products.
